

What is LeAD?

TRAINING

DEVELOPMENT

CONSULTANCY

EVENTS

- 1 Students: LeAD provides workshops for students, organizes inter-BCG events, and conducts surveys to understand student views.
- 2 Educators: LeAD conducts workshops and provides platforms for discussions for educators to build awareness, examine practices, and share new research findings.
- 3 Parents: LeAD plans and conducts awareness sessions for parents through workshops and seminars where best practices are discussed.
- 4 Schools: LeAD offers free consultancy, lectures and training programs for other schools as part of community service.
